Group Classes Starting in November

- ★ We provide a complete and thorough approach with emphasis on keyboard dexterity, musicality, musical understanding, history, composers, composition and music theory.
- ★ Highest level of music instruction taught by world-class instructors.
- ★ Performance opportunities in a non-competitive setting, increasing growth, confidence and musicality.
- ★ Small classes for more individualized attention and to maximize learning.

Who should learn to play the piano? *Everyone*, including those who play another instrument.
